

Rack Mounting Facias SM24 Mosaic Mimic System

Rack Mounting Facias

- R & D Projects
- Instrumentation Racks
- Electronic Sub-Systems
- Safety Shutdown Systems
- Fire / Security Panels

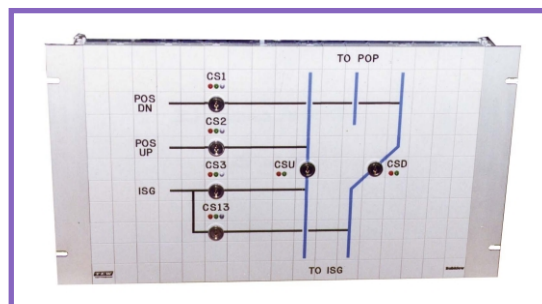

- Layout: user configurable
- Rigid, very strong grid
- Easy labelling/re-labelling
- Wide range of indicators and switches
- Compatible with M-Net modular instruments

The Subklew SM24 mosaic system offers total flexibility for the plug-in mounting and labelling of control switches, lamps and instrumentation.

The SB24 range of control switches and the SF24 range of LED/lamps modules combine within the matrix with other specialist devices and M-Net instrument tiles to provide a modular solution to your rack layout.

The facia enables easy labelling with possibilities for graphics or colour co-ordination of groups of devices mounted within the facia.
